

## A SIGN OF THE TIMES: DIGITAL RESUME DEVELOPMENT

CareerSource Pinellas recently delivered a best practices overview of the Resume Development Workshop via Zoom offered by PERC STARS Employability Workshops. Ten attendees learned tips, tricks and best practices of developing a resume that will get an employer's attention and expand their career opportunities.

Participants enjoyed the lively online interaction and everyone greatly benefited from Zoom annotation feature, which allows attendees to watch specific resume changes happen in real time during the presentation. This virtual workshop was an optimal way to continue the business of CareerSource: meeting the needs of our partners and customers in interesting, engaging, and innovate ways.

## VIRTUAL RECRUITMENT EVENT

CareerSource Pinellas is proud to offer virtual recruitment events to help connect job seekers with employers that have immediate hiring needs. On August 20th, J21 Partners will be hiring at our Virtual Recruitment Event. J21 Partners is a consulting, business development and investment firm focused on growing tech companies.

Job seekers can log in from 1 - 3 p.m. for on-site interviews with this employer.

To register online, visit:

Virtual Recruitment Event

## LEARN A TRADE - GET PAID!

Know a young adult looking to get hands on experience while earning a paycheck? CareerSource Pinellas is proud to offer paid work experience programs for young adults ages 18 - 24. Recently, two young men, Jakhada and Chaz, joined the program and are training as Machine Operators at Salvo Technologies, where they are working alongside Salvo's owner and company manager. Neither had previous experience in the field before joining the program partnership with Salvo, and are happy to be working in the field of Manufacturing.

The Salvo team is pleased to have Jakhada and Chaz on board, and looks forward to the continued partnership with CareerSource Pinellas!

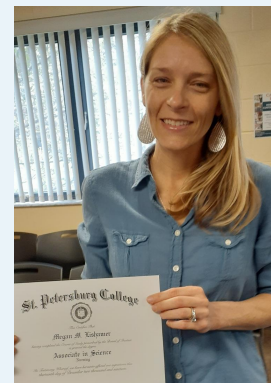

## WAY TO GO MEGAN!

Megan Lishamer was facing a tough time. As a single mother going through a divorce, she worried how she would make ends meet when she was laid off from her Medical Assistant position.

Prior to her dislocation, Megan had been attending SPC part-time to try to get into the RN program and she thought her financial situation would force her nursing dreams to be put on hold. However, SPC's Financial Aid Department told Megan about the WIOA program and she reached out CareerSource Pinellas for help.

Like many single parents, Megan faced many challenges while attending school for Nursing. At one point, she even believed she wouldn't finish. Nevertheless, Megan stayed to course. Thanks to WIOA support and lots of determination, Megan is now an RN and has found full-time, high-paying employment with Palms of Pasadena.

We are so proud of Megan!
