

Startup QUEST

Startup Quest is an innovative technology-focused entrepreneurship training program for underemployed and unemployed, degree holding professionals. Program participants will receive 10-weeks of specialized curriculum and placed into teams matched with a team mentor to create a commercialization plan for an existing technology. The training will culminate into a venture pitch competition in front of real world investor judges.

Benefits to Participants:

- Gain valuable entrepreneurial skills
- Learn tools and knowledge useful in starting a business
- Acquire knowledge about new, cutting edge technologies
- Learn how to write a business plan
- Collaborate in a team environment
- Compete in an investor pitch
- Networking with talented and skilled peers and mentors
